

Night Wing

TSgt Lara Murdzia
Noncommissioned Officer-In-Charge

NIGHT WING is the country/rock showcase group of the **United States Air Force Heartland of America Band**. Their music stretches from the Top 40 pop & country hits of today to popular rock-n-roll classics. Whether for a military function, community concert or a high school assembly, **NIGHT WING** inspires audiences to increased patriotism through their unique vocal blend and amazing musicianship while raising awareness of our expeditionary Airmen serving around the globe.

NIGHT WING has deployed to the desert in support of Operations Iraqi Freedom and Enduring Freedom. Their mission was to take a message of support to our troops who work tirelessly to defend the cause of freedom for those who are forced to live under oppression. Their most recent deployment logged over 75 hours in the air covering 24,000 miles while performing 37 concerts in 15 performance days. **NIGHT WING** also did many impromptu acoustic performances in out-of-the-way places such as construction sites, flight lines, guard gates, maintenance hangars; anywhere they could find. Their tireless efforts lifted the spirits of our military members with special performances, bringing uplifting messages of American support to our brothers and sisters in arms so far from home.

NIGHT WING has shared the stage with country singers Neil McCoy, Jo Dee Messina, Jollie Edwards, Jessica Andrews and the Beach Boys among others. The group also gained national recognition when they appeared on The Nashville Network's famous "Nashville Now" reaching a viewing audience of millions. Audiences across the country are praising **NIGHT WING** and eagerly await their return.

NIGHT WING honorably represents more than 325,000 Air Force professionals around the world who diligently watch over the skies protecting and defending all those who cherish freedom. We hope you afford us the opportunity to share the messages of excellence, sacrifice, courage and commitment of our brave men and women...the deployed Airmen of the United States Air Force.

When **NIGHT WING** performs in concert, you don't want to miss it!
